

Serial No. **10/801,566**
Amendment dated August 1, 2007
Reply to Office Action of May 3, 2007

Docket No. **IK-0086**

REMARKS/ARGUMENTS

Claims 1, 3-17, 19-20, 22-23, and 25-29 are pending. By this Amendment, claim 1 is amended and claim 2 is canceled without prejudice or disclaimer. No new matter is added. Support for the claims can be found throughout the specification, including the original claims, and the drawings. Reconsideration in view of the above amendments and following remarks is respectfully requested.

Entry of the amended claims is proper under 37 C.F.R. §1.116 since the amendments: (1) place the application in condition for allowance for the reasons discussed herein; (2) do not raise any new issues requiring further search and/or consideration since the amendments amplify issues previously discussed throughout prosecution without incorporating additional subject matter; (3) satisfy a requirement of form asserted in the previous Office Action; and/or (4) place the application in better form for appeal, if necessary. Entry is thus requested.

The Examiner is thanked for the indication that claims 3-5, 7, 8, 11-17, 19, 20, 22-23, and 25-29 are allowed, and that claim 2 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. The allowable features of claim 2 have been added to independent claim 1. Accordingly, claim 1 should be in condition for allowance along with claims 6 and 9-10 which depend therefrom.

The Office Action rejected claims 1, 6, and 10 under 35 U.S.C. §103(a) over Unger, U.S. Patent No. 5,526,854 in view of Zeligson, U.S. Patent No. 6,067,738, and rejected claim 9 under

Serial No. **10/801,566**

Docket No. **IK-0086**

Amendment dated August 1, 2007

Reply to Office Action of May 3, 2007

35 U.S.C. §103(a) over Unger in view of Zeligson and further in view of Lee, U.S. Patent No. 5,881,930. These rejections are moot in view of the amendments discussed above.

CONCLUSION

In view of the foregoing amendments and remarks, it is respectfully submitted that the application is in condition for allowance. If the Examiner believes that any additional changes would place the application in better condition for allowance, the Examiner is invited to contact the undersigned attorney at the telephone number listed below.

In view of the foregoing amendments and remarks, it is respectfully submitted that this application is in condition for allowance. Favorable consideration and prompt allowance are earnestly solicited.
